## SEASONAL PROGRAMS

### SPRING

#### **Earth Day Activities**

Learn to Reduce, Re-use and Recycle!

#### **Signs Of Spring**

Wildflower Hikes & Animal Adaptations.

#### **POND-ering Science**

Find Water Critters and compare a Pond and Creek. (Best after May 1)

#### **Amazing**

#### **Plant Packages**

How does everything come "Back to life" in the spring?

### SUMMER

Join us for any of our summer camps that run from 9-11:30 daily.

#### **TLC Camp 101**

(June 22-25) Canoeing, crafts archery, & campfire songs.

#### **Native American Studies**

(June 30-July 2) Put up a tipi, learn some traditions.

#### **Water Wonders**

(July 6-9) Get as wet as you can every day of this one!

#### **1880's Camp**

(July 13-16) Chores and entertainment from 125 yrs. ago.

### FALL

#### **Animal Adaptations**

How Animals Get Ready For Winter

#### **A Fall Trip To TLC**

Fall Hike, Hayrack rides, Prairie Maze, Pumpkins & more!

#### **Bats Aren't So Bad**

Find out these "spooky" critters actually help us a great deal. You can even hold one!

### WINTER

#### **Love Birds**

Learn About Birds & How They Attract One Another. (A great Valentine's Day program)

#### **Winter Tracking**

Nature Doesn't Stop Just Because The Weather Gets Colder...

Hot Cocoa Afterwards!

#### **Sledding Party**

A professional naturalist will provide the materials, activities and knowledge that can extend or reinforce what your students are learning in science class.

Programs are available throughout the year, are designed for up to 30 students (K-6), and the cost is just \$1.00/student/program.

*...and don't forget our Prairie Putt-Putt Miniature Golf Course*

**Open Daily From 11am-7pm**

Cost is just \$3/student & \$5/adult.

Test your mini golf abilities while going over a creek, through a prairie, around some Iowa rocks, beyond our solar system.

Proceeds help support our after school programs.
